

Forestry Contractors Servicing Wildfire Partners

To obtain a Wildfire Partners Financial Award to help fund forestry work, Wildfire Partners homeowners must use one of the forestry contractors on this list. Wildfire Partners does not recommend any one contractor over another contractor on this list. No representation for services is implied by the presence of a contractor name. If a homeowner selects a contractor to carry out work, the homeowner will be responsible for supervising the work and for payment minus the Wildfire Partners Financial Award that may be paid directly to the selected forestry contractor. **Please note that the Wildfire Partners Financial Award is for forestry work only; it cannot be used for home retrofits or rock and gravel work.* (Updated 07/25/2017)
